Professional Experience

Wyatt has recently joined our brokerage team, fueled by a passion for identifying growth opportunities within brokerage and property management. A proud graduate of Michigan State University's class of 2023, he distinguished himself not only academically but also as captain of the university's baseball team. Wyatt's leadership skills were further recognized with the prestigious Big -10 outstanding sportsmanship Award in 2023.

Prior to joining our team, he served as Director of Baseball Operations for Capital City Baseball Kingdom, where he made significant contributions to the baseball community. We're excited to welcome Wyatt aboard and witness his continued dedication to excellence and growth.
